

The bug report for the live testing of SauceDemo

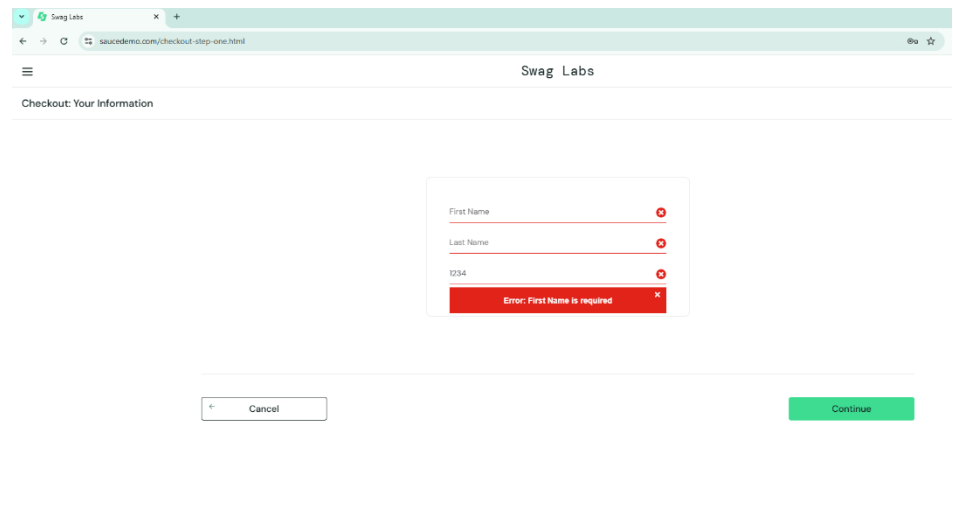

Bug ID	001
Title	Incorrect message displayed for missing login credentials
Description	<p>The error message displayed for missing username and password is incorrect.</p> <p>Environment:</p> <p>Browser: Chrome Version 131.0.6778.265 (Official Build) (64-bit) OS: Windows 10 URL: https://www.saucedemo.com/ Device: Desktop</p>
Steps to Reproduce	<ol style="list-style-type: none">1. Navigate to the URL.2. Leave the "Username" and "Password" fields blank.3. Click on the "Login" button.
Expected Result	The error message should be: "Epic sadface: Username and Password are required"
Actual Result	The error message displayed is: "Epic sadface: Username is required"
Attachment	 A screenshot of a web browser window showing the SauceDemo login page. The page has a light green background with the text "Swag Labs" at the top. In the center, there is a white login form with two input fields: "Username" and "Password". Both fields have red error icons to their right. Below the fields is a red error message that says "Epic sadface: Username is required". Below the error message is a green "Login" button. At the bottom of the page, there is a dark grey box containing two columns of text: "Accepted usernames are:" followed by a list of usernames (standard_user, locked_out_user, problem_user, performance_glitch_user, error_user, visual_user) and "Password for all users:" followed by the password "secret_sauce".

Priority	Low

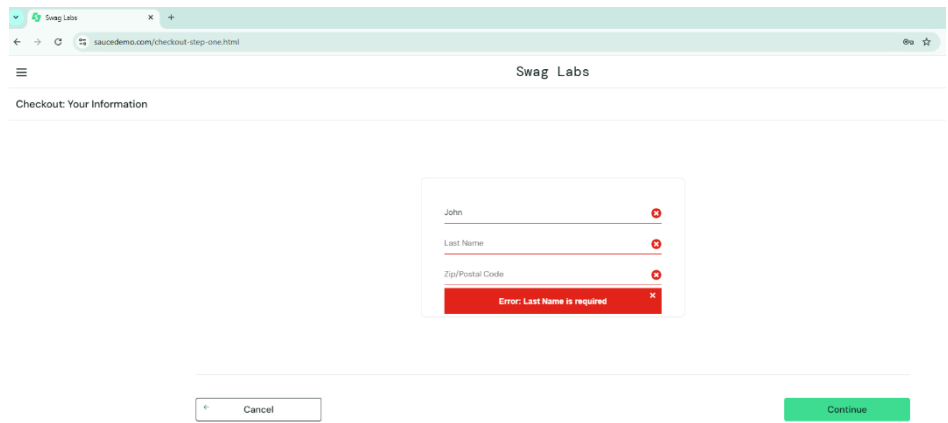

Bug ID	002
Title	Unable to purchase multiple quantities of the same item
Description	<p>Once added to the cart, the item can only be removed. There is no option to purchase multiple quantities of the same product.</p> <p>Environment:</p> <p>Browser: Chrome Version 131.0.6778.265 (Official Build) (64-bit)</p> <p>OS: Windows 10</p> <p>URL: https://www.saucedemo.com/</p> <p>Device: Desktop</p>
Steps to Reproduce	<p>Preconditions:</p> <ul style="list-style-type: none"> User is logged in with valid credentials. <ol style="list-style-type: none"> Navigate to the product page. Choose an item and click on the "Add to cart" button. Once the item is in the cart, try to add the same item again. Observe that on the product page, there is only a "Remove" button, and on the cart page, the quantity field cannot be edited.
Expected Result	The user should be able to add multiple quantities of the same item to the cart.
Actual Result	The user is unable to add multiple quantities of the same item to the cart, they can only remove it from the cart.
Attachment	 <p>The screenshot shows the Sauce Labs product page with a grid of six items. Each item card includes an image, a title, a description, a price, and an action button. The items are: Sauce Labs Backpack (\$29.99, Add to cart), Sauce Labs Bike Light (\$9.99, Remove), Sauce Labs Bolt T-Shirt (\$15.99, Add to cart), Sauce Labs Fleece Jacket (\$49.99, Add to cart), Sauce Labs Onesie (\$7.99, Add to cart), and Test.allTheThings() T-Shirt (Red) (\$15.99, Add to cart). The 'Remove' button for the Bike Light is highlighted in red.</p>

Bug ID	003
Title	No functionality to edit purchaser details
Description	<p>After clicking the "Checkout" button, the user is navigated to a page with three fields (First Name, Last Name, and Zip/Postal Code). Once the user populates the fields and clicks "Continue," they are directed to the order details page. However, there is no functionality to edit these purchaser details if entered incorrectly, which could lead to mistakes and a poor user experience.</p> <p>Environment:</p> <p>Browser: Chrome Version 131.0.6778.265 (Official Build) (64-bit) OS: Windows 10 URL: https://www.saucedemo.com/ Device: Desktop</p>
Steps to Reproduce	<p>Preconditions:</p> <ul style="list-style-type: none"> • User is logged in with valid credentials. • User is on the Cart page. • There is at least one item in the cart. <ol style="list-style-type: none"> 1. Click the "Checkout" button. 2. Fill in the First Name, Last Name, and Zip/Postal Code fields. 3. Click the "Continue" button. 4. Observe that there's no option to edit the purchaser information, user can only Cancel or Finish the order.
Expected Result	The user should be able to edit the purchaser details in case of mistakes before finalizing the order.
Actual Result	The user cannot edit the purchaser details after they are entered.
Attachment	 <p>The screenshot shows the 'Your Cart' page on the Sauce Labs demo site. It contains one item: 'Sauce Labs Bike Light' with a price of \$9.99. Below the item list are two buttons: 'Continue Shopping' and 'Checkout'.</p>

Bug ID	004
Title	Incorrect error message on purchaser details page
Description	<p>On the purchaser details page, when all three fields (First Name, Last Name, and Zip/Postal Code) are left blank and the "Continue" button is clicked, the error message displayed is: "Error: First Name is required." It should instead display: "Error: First Name, Last Name, and Zip/Postal Code are required."</p> <p>Environment:</p> <p>Browser: Chrome Version 131.0.6778.265 (Official Build) (64-bit) OS: Windows 10 URL: https://www.saucedemo.com/ Device: Desktop</p>
Steps to Reproduce	<p>Preconditions:</p> <ul style="list-style-type: none"> • User is logged in with valid credentials. • User is on the Cart page. • There is at least one item in the cart. <ol style="list-style-type: none"> 1. Click the "Checkout" button. 2. Leave the First Name, Last Name, and Zip/Postal Code fields blank. 3. Click the "Continue" button. 4. Observe the error message displayed.
Expected Result	The error message should be: "Error: First Name, Last Name, and Zip/Postal Code are required."
Actual Result	The error message is: "Error: First Name is required."
Attachment	 <p>The screenshot shows a web browser window with the URL 'saucedemo.com/checkout-step-one.html'. The page title is 'Swag Labs'. Below the title, it says 'Checkout: Your Information'. There is a form with three input fields: 'First Name', 'Last Name', and 'Zip/Postal Code'. Each field has a red error icon to its right. A red error message box is displayed at the bottom of the form, stating 'Error: First Name is required'. At the bottom of the page, there are two buttons: 'Cancel' and 'Continue'.</p>

Priority	Low

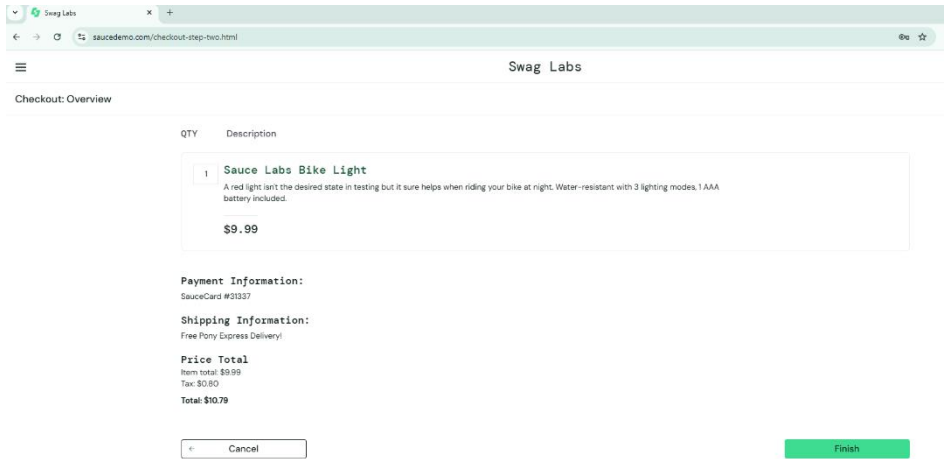

Bug ID	005
Title	Checkout button is not disabled when no products are selected
Description	<p>Users can add an item to the cart, remove it, and still complete the purchase without actually purchasing any items. This occurs because the "Checkout" button remains enabled, even when no products are added in the cart.</p> <p>Environment:</p> <p>Browser: Chrome Version 131.0.6778.265 (Official Build) (64-bit) OS: Windows 10 URL: https://www.saucedemo.com/ Device: Desktop</p>
Steps to Reproduce	<p>Preconditions:</p> <ul style="list-style-type: none"> • User is logged in with valid credentials. • User is on the Cart page. • There is at least one item in the cart. <ol style="list-style-type: none"> 1. Remove the items from the cart. 2. Observe that the "Checkout" button is still enabled. 3. Click on the "Checkout" button to proceed without any products in the cart.
Expected Result	The "Checkout" button should be disabled when there are no products in the cart, not allowing user to complete the checkout.
Actual Result	The user is navigated to the checkout step 2 page, and the "Finish" button is clickable, allowing the user to finalize the purchase without any items in the cart.
